Thalassotherapy Therapeutic Facilities

Refresh your body and soul with the soothing rhythms of the ocean.

What is Thalassotherapy?

Thalassotherapy is a scientifically proven natural healing system that draws on seawater, seaweed, and other ocean resources to boost the body's own healing power.

The Power of the Sea

With fresh seawater drawn daily from Mikawa Bay and high quality seaweed imported directly from France, THALGO LAGUNA is the place to come to heal body and soul with the blessings of the ocean.

Introducing Our Thalassotherapy Plans

Make the most of your precious day of leisure by taking advantage of our many luxurious health, beauty, body improvement, and slimming programs, featuring massages, exercise, seaweed masks, and other rejuvenating treatments.
